EXPERIENCE

Principal and Creative Director

Love, Rose: Events & Design | www.loveroseevents.com

📅 2020 to Present

📍 Bridgewater, NJ

- Orchestrated fully planned and high-budget events, translating clients' needs from conception to day-of coordination.
- Focused on wedding branding: designing custom signage and invitations that were visually cohesive to the event.
- Managed vendor teams to ensure flawless execution of the events, acting as a primary contact between clients and vendors. Duties included contract negotiation and timeline management.
- Photographed the events to serve as branding and portfolio development.

Senior Art Director

McCann Health New Jersey

📅 April 2017 to May 2023

📍 Parsippany, NJ

- Art direction for high-profile accounts including Novartis, Gilead/Kite, GSK, Eli Lilly, Novo Nordisk, Mirum, and Janssen. Spearheaded the design and execution of integrated print, digital, video, and large-scale convention tactics within strict regulatory frameworks. Complex, clinical data was translated into compelling visual narratives.
- Developed comprehensive storyboards for banner advertisements, administration videos, and designed award submissions. Closely collaborated with production and development teams to guarantee client satisfaction.
- Creative lead for pro-bono campaigns. Designed graphics for the Orange Project, a movement dedicated to suicide awareness. Head of social media graphics for See America, promoting eye health.
- Served as the Creative Lead for agency-side social media and corporate events to boost internal culture and external brand presence.

Freelance Graphic Designer
